Lisa Morgan

Super Lawyers

David Wm. Engelman brings a longstanding commitment to efficient and effective client service developed over 25 years as a solo practitioner and 17 years managing a small firm. He integrates that style with a similar commitment to providing quality legal services to his clients. The success of this approach is evidenced by the retention of clients for over 35 years.

David is an experienced attorney whose practice focuses on commercial law. He has engaged in a wide variety of areas over his career, including banking and credit union law, loan and contract drafting, bankruptcy representation for commercial creditors and debtors, loan workouts, and business and agricultural matters. David currently concentrates his practice areas to business deals, including buying and selling businesses, banking and credit union matters, loan originations, loan workouts, complex business disputes, and commercial bankruptcy matters.

David also currently serves as General Counsel to Arizona Federal Credit Union.

Focus

To build and maintain long-lasting successful business relationships by offering personalized and individualized service designed to meet the client's needs.

Career Highlights

Representation of numerous lenders and borrowers in commercial and agricultural loan origination matters, including drafting and negotiating loan agreements and related commercial finance documents.

Representation of lenders and borrowers in loan workouts, including negotiating and drafting forbearance and modification agreements.

Representation of lenders in commercial foreclosure matters, including handling trustee sales and follow up deficiency actions.

Conversion of federally chartered credit unions to state chartered credit unions.

Representation of a large credit union, handling all its bankruptcy files, loan disputes, regulatory issues, title disputes, and day-to-day general legal matters. Drafted various documents for the credit union, including loan documents and motor vehicle dealer finance agreement.

Representation of various farmers in chapter 11 and chapter 12 bankruptcies, with positive outcomes.

Successfully represented a new homebuilder in the orderly Chapter 11 liquidation of its partially constructed homes.

Represented an owner of an apartment complex in successful business reorganization, permitting the client to sell the complex for a tidy profit.

Representation of a major resort through bankruptcy.

Represented a purchaser in the acquisition of \$40 million worth of assets from a bankrupt fiber optic business. This involved the negotiation with over 25 different lessors and contractors to adjust and resolve lease and contract disputes, as well as the negotiation with various mortgagees of real property.

Representation of a creditors' committee in the Chapter 11 case of a primary school and nursery school holding company, resulting in the successful sale and spin-off of schools as going concerns.

Successful bankruptcy liquidation of medical provider company. Representation of asset purchasers from various bankruptcy estates. Drafting and reviewing numerous commercial loans on behalf of lenders.
